EXPLORER COFFEES

Explorer Coffees is an independent supplier of Coffee, Tea, Hot Chocolate, Coffee Equipment, and Explorer Adventure accessories, with products roasted and transported from Gosport.

It is owned and operated by Neil Hallsworth, a Service Veteran and active member of the Military Community.

Neil served in the Royal Army Medical Corps for ten years. Having completed his commission he worked in the hospitality business, built a house, taught in Further Education and was a First Aid Trainer. This ended in 2008 when he took the decision to stay at home and raise the family whilst his wife pursued her successful military career.

Explorer Coffees began following a brief introduction to the Coffee Industry through a part time job. Roasting coffee at home allowed Neil to maintain household duties and grow a small business from scratch, growing now to include Tea and Hot Chocolate.

Explorer Coffee partners our signature cream tea perfectly.
